#### NOTES:

- (1) In December, 1940 the Corporation adopted "The Hershey Retirement Plan" which provides for the establishment of a pension fund. All officers and employees who participate in the plan contribute with the Corporation to the premiums for current service and all past service. The contributions are to be paid over a period of 20 years, but such payments may be accelerated subject to certain restrictions. The Corporation established a pension fund with a capital of \$1,900,000 and a reserve for past service annuities of officers and employees of such amount was established by the Corporation. The pension fund has an earned surplus of \$1,750,000. Payments made in 1940 of \$378,300 in connection with such past service annuities. The Corporation reserves the right to change or discontinue the Plan at any time.
- (2) The Convertible preference stock is entitled to cumulative dividends at the rate of \$4.00 per share per annum. Upon any distribution of capital assets, the Convertible preference stock is entitled to receive \$50.00 per share (or \$1,000 per share, at December 31, 1940 or \$12,438,356.00 in excess of the stated value of such shares) and accumulates such amount in the same manner as common stock in any distribution of the balance until the Convertible preference stock shall have received a total amount of \$1,000 per share. The Corporation reserves the right to change or discontinue the Plan at any time. In their opinion, there are no restrictions upon the surplus of the Company by reason of the excess of the preference stock over the stated value of such shares. The surplus accounts, however, are restricted to the extent of the cost of the treasury stock.

ARTHUR ANDERSEN & CO.  
67 WALL STREET, NEW YORK

To the Board of Directors,

Hershey Chocolate Corporation:

We have examined the balance sheet of Hershey Chocolate Corporation (a Delaware corporation) as of December 31, 1940, and the summaries of profit and loss and earned surplus for the year ended that date. In connection therewith we have examined or tested accounting records of the Company and other supporting evidence and have reviewed the system of internal control and the accounting procedures of the Company by methods and to the extent we deemed appropriate, but we did not make a detailed audit of the transactions.

In our opinion the accompanying balance sheet and related summaries of profit and loss and earned surplus fairly present the financial position of Hershey Chocolate Corporation at December 31, 1940, and the results of its operations for the year ended that date, in conformity with generally accepted accounting principles maintained by the Company on a basis consistent with that of the preceding year.

New York, N. Y., March 4, 1941.
